K-12 PRODUCT CATALOG

WHY BONGARDS?

At Bongards, we know that your needs are always changing. That is why we have created a portfolio of products specifically designed to fit your K-12 menu and meet your operational needs. As a farmer-owned co-op with over 110 years of dairy expertise, you can trust us to deliver consistent, premium-quality products. Here's how:

VERTICAL INTEGRATION

- Use our own farmers' milk to craft premium cheeses
- Control quality from our farms to your kitchen
- Extensive history of quality cheese-making

HIGH-OUTPUT FACILITIES

- Optimized for dual production and high-volume output
- SQF certified
- Continuous investments for improved efficiencies

RESPONSIVE TO YOUR NEEDS

- Experienced R&D team to introduce unique, new flavors and products
- Knowledgeable sales team to answer all of your cheese questions
- Exceptional customer service and support

RESPONSIBLE FARMING

FARM Program

Our members adhere to the rigorous guidelines of the FARM Program (Farmers Assuring Responsible Management), ensuring the safety of our products and the ethical treatment of our animals. Each farm receives visits from the following groups:

- ★ Bongards field service staff
- ★ Independent auditors
- ★ State inspectors

rBST FREE

TREATED WITH
rBST*

rBST Free

Bongards only accepts rBST-free milk from our farmers. We have worked with our suppliers to ensure that all other dairy-based ingredients used in our products are also rBST free. As a result of these efforts, our entire portfolio of K-12 products are rBST free and are marked as such throughout this catalog.

* The FDA has stated that no significant difference has been shown between milk derived from rBST treated and non-rBST treated cows
